

A proposed Settlement has been reached with Lytx, Inc. over its driver-facing Machine Vision + Artificial Intelligence (“MV+AI”) product. Plaintiffs claim that Lytx violated the Illinois Biometric Privacy Information Act by collecting biometric information without consent. Lytx denies these allegations and any wrongdoing. No judgment or determination of wrongdoing has been made.

Who’s Included? Records indicate that you are included in this Settlement as a Class Member. The Class includes all individuals who, while present in the State of Illinois, operated a vehicle equipped with a Lytx DriveCam® Event Recorder (“DriveCam”), and for whom MV+AI was used to predict distracted driving behaviors between October 12, 2016 and January 1, 2025.

What Does the Settlement Provide? Lytx will establish a \$4,250,000 Settlement Fund that will be used to pay Claims that Class Members timely submit, attorneys’ fees and expenses, and the costs of notice and administration. All cash payments will be adjusted pro rata based on the number of Class Members that participate in the Settlement.

How Can You Get a Payment? You must submit a Claim Form by June 25, 2025. You may file a Claim online at www.lytxsettlement.com or get a paper Claim Form at the website and file by mail. Your claim must be postmarked or submitted online by **June 25, 2025**.

Your Other Options. If you file a Claim Form, object to the Settlement and attorneys’ fees and expenses, or do nothing, you are choosing to stay in the Settlement. You will be legally bound by all orders of the Court and you will not be able to start, continue, or be part of any other lawsuit against Lytx about its alleged collection of biometric information. If you don’t want to be legally bound by the Settlement or receive any benefits from it, you must exclude yourself by **May 28, 2025**. If you do not exclude yourself, you may object to the Settlement and attorneys’ fees and expenses by **May 28, 2025**.

The Court has scheduled a hearing in this case for **July 24, 2025**, to consider whether to approve the Settlement, attorneys’ fees of up to \$1,416,666.67 and costs, Service Awards of \$10,000 for the Class Representatives, as well as any objections. You or your own lawyer, if you have one, may ask to appear and speak at the hearing at your own cost, but you do not have to.
